Kenny Li

Kenny Li is the winner of the **My Dream School** drawing competition. Our reporter Flora talks to him.

F = Flora (reporter) **K** = Kenny

F : Well done, Kenny! What is your favourite place in your dream school?

K : My favourite place is the library. It is on the first floor. It is like a park! We can climb up to the treehouse and read there. There is a slide to go back down.

5 **F** : Wow! That is fun! Is there a garden in your dream school?

K : Yes, there is. It is on the fifth floor. We can grow fruit and vegetables there.

F : Can we eat the fruit and vegetables?

K : Yes, there is a canteen on the fourth floor. We can eat them there.

10 **F** : Oh! We can sit in cars in the canteen. That is great. Is there a computer room?

K : No, there isn't. All the classrooms have computers.

F : That is cool! I want to go to this school!

K : Me too!

Would you like to go to Kenny's dream school? Why / Why not?
