Hi, kids! This month we are asking, '**Where do you live?**' and '**How do you go to school?**'  
Here are some of your answers.

## Going to school

I live on Peng Chau in Hong Kong.  
I go to school by ferry and by tram.  
I am tired when I get home. I have to go to bed early!

Mei, age 11

I live in a village in China. I go to school on foot. Every day I walk for two hours to get to school. It is a long walk but I don't mind. I talk and laugh with my friends.

I live in India. I go to school by tricycle. It has three wheels and can carry lots of people. It is like a mini school bus!

Sita, age 9

Andrew, age 7

I live in America. I go to school by school bus. I wait at home for the bus. The driver honks the horn and I run outside.

Which way of going to school do you like best? Why?
