This month we are talking about **favourite school events**.

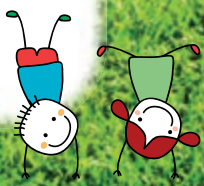

Emma, England

My favourite school event is **Book Week**. This year it is from 27th February to 3rd March. We have this event every year because books are amazing!

5 We all dress up as our favourite book characters. The teachers dress up too. They look funny! We have book quizzes and we can win books.

I like Book Week because I want to be an author one day. I love writing stories!

Ivan, Australia

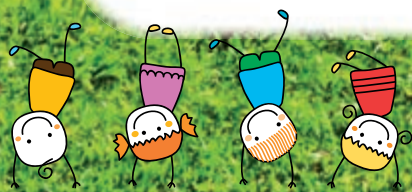

I love **Sports Day**. It is usually after our final 10 exams. This year it is on 10th June.

Sports Day is for everyone – pupils, teachers and parents. Everyone wants to have a good time after Exam Week.

There are lots of funny races, like the egg-and-spoon race. My 15 friend Jack and I always do the three-legged race. We never win but we laugh a lot! There are races for parents and teachers too.

Sports Day is great because we can all relax and have fun.
