What is your favourite festival?
Why do you like it?

Our Mid-Autumn Festival

I love Mid-Autumn Festival because I like flying sky lanterns. We write wishes on the lanterns and send them into the sky.

My dad makes a pomelo hat for me every
5 year. I look so cute in it!

Susan Wang, Taipei

I like Mid-Autumn Festival because I like watching fireworks with my family. Bang! Bang! Bang!

10 I also like this festival because I can go to bed late. There is no school the next day! Hurray! 😊

15 Mid-Autumn Festival is great
because I can eat moon cakes.
Salty moon cakes are my favourite.
They have meat inside.

Zhu Wei, Shanghai

20 My favourite festival is Mid-Autumn
Festival because I love watching the
fire dragon dances in Tai Hang.
They are amazing!

25 Many children like playing with
glow sticks but I don't. They are
bad for the Earth. I like making
my own lanterns.
